

Linnean Society  
Burlington House, Piccadilly.  
London. W.

Sir

I am directed to return you the  
thanks of the Linnean Society for your present of the  
Manual of the Botany of the Northern  
United States, by Asa Gray. 6<sup>th</sup> Ed.  
which has been received, and deposited in the  
Society's Library.

I am Sir  
Your most obedient  
humble Servant  
R. J. Brown,  
Secretary.

Sereno Watson, Esq.

P. J. Saw

P.S. Your letter has just come to hand,  
the volume, for which we now thank you, reached  
us this afternoon. I have given instructions  
that the parts you require, shall be sent tomorrow,  
and the General Index.

I take this opportunity to say that  
you have been proposed as a Foreign Member  
of this Society, and the election according to our  
By-laws, will take place on May 1<sup>st</sup>.

The revision of the Index is progressing  
as fast as the overwhelming nature of the task  
permits. The mass of false references which  
require correction, is vast & disheartening; but  
I hold on in hopes of getting to the end some day.

With kind regards,

I am, Dear Sir,

Yours faithfully

William Jackson
